

DRAKE STATE

COMMUNITY & TECHNICAL COLLEGE

Emergency Technology Funds for Students

Through the CARES Act, emergency technology funds are available to eligible students that encountered a hardship due to a disruption in campus operations. Drake State is distributing \$800 to eligible students who have experienced technological hardships while continuing their education or who need to invest in technology to continue their education. For recommended technology specifications [click here](#).

First steps:

- Log in to Banner and update your contact information (*see instructions on right*)
