

Drake State Summer Bridge Program

The Summer College Experience That Pays You

High School Student Session Meets: June 4 - June 28
Monday through Thursday
8:00 am to 12:00 pm

Adult Session Meets: June 4 - July 26
Monday through Thursday
6:00 pm to 8:00 pm

The High School Summer Bridge Program is designed for rising high school juniors and seniors who would like to become more familiar with the areas of science, technology, engineering and math. Using traditional classroom learning, field trips and hands on opportunities, students are exposed to interesting and fun topics in Mathematics, Physics, Biology and Computer Science. Students will learn to build a personal portfolio and explore physics simulations that are animated with game-like environments. If a student attends all of the classes, he or she will receive \$544.00 for participating. Additionally, students who successfully complete the program will receive either dual enrollment credit or three (3) college credit hours for CIS146 Microcomputer Applications.

The Adult Summer Bridge Program provides the same quality learning experience as the program for high school students but is designed to accommodate working adults and recent high school graduates. The program provides an exceptional opportunity for learners who have successfully attained a G.E.D., are displaced workers in need of additional education or anyone who is interested in expanding their knowledge in Mathematics, Physics, Biology and Computer Science. If a student attends all of the classes he or she will receive \$544.00 for participating. Students who successfully complete the program will receive three (3) college credit hours for CIS146 Microcomputer Applications.

Deadline to apply is Friday, April 29, 2012.

For an application or more information, please visit drakestate.edu or contact Mr. Orenthal Lewis at orenthal.lewis@drakestate.edu or 256.551.7262
