### Affidavit of Coverage

For the protection of all students and faculty on the campus of J.F. Drake State Technical College, any vehicle which is to be parked on college's property, must be properly licensed, insured and registered in accordance with the laws of Alabama. Your parking decal must be placed on the rear view mirror facing outward/front of the vehicle and remain visible at all times while the vehicle is on the campus. If you change vehicles or drive multiple vehicles, a separate registration form must be completed. All illegally parked vehicles are subject to be towed at the owner's expense. \*Failure to properly display your decal and/or parking in undesignated areas will result in a fine and will be charged to your account by the Business Office. This action could affect your ability to graduate or receive appropriate certificate documentation from the college. By signing below, I agree to abide by these requirements and agree that the vehicle to which the decal number is assigned above is properly licensed and insured according to all federal, state and local regulations.

\*For students who attend classes at the downtown site located at 228 Holmes Avenue, parking enforcement is the jurisdiction of the Huntsville City Parking Services. Drake State is not responsible for issuing or collecting tickets or fines imposed by the City of Huntsville. Drake State Parking Decals must be appropriately displayed as previously outlined. The Drake State parking decal provides free parking in the city operated parking lot on the Greene Street side of the building during regular instructional periods.

**Parking decals expire in August of each year and MUST be renewed at the beginning of the fall semester.**
