GENERAL INFORMATION

Aerojet Industries was founded in 1942 on the dreams of a small group of scientists led by Dr. Theodore von Karman, an international acclaimed professor from the California Institute of Technology. Over 70 years of growth, development, and innovation continues to thrust Aerojet industries forward into the future while continuing its role as a leader in the U.S. propulsion industry. Aerojet Industries currently has manufacturing sites in Washington, California, New Mexico, Arkansas, Utah, Virginia, and Tennessee.

Through this scholarship opportunity, Aerojet Industries alongside J.F. Drake State Technical College seeks to assist in the development and education of a first term student or high school graduate seeking a program leading to a career in the advanced manufacturing industries.
