Placement Policy
Drake State will administer the Accuplacer Placement Exam to all students entering the college who do not possess previous college credit or who cannot be placed by the first two screening levels (see below).

What is the ACCUPLACER Placement Test?
ACCUPLACER is a series of tests that evaluate students’ skills in reading, writing, and math to help college administrators place them in courses. ACCUPLACER supports students ready to start earning credits toward their degree as well as those who need to develop their skills before taking college-level courses. ACCUPLACER scores let students know where they stand academically, which makes it easier for them to plan a successful path toward a college degree.

Three level screening for placement
Screening Level 1: The first level will determine placement via an ACT score that is not older than 5 years. All screening will begin here.

Screening Level 2: The second level of screening only takes place if a student does not meet eligibility under (Level 1). Level 2 determines placement via a review of the high school GPA and English and math course grades if the applicant is within 5 years of high school graduation.

Screening Level 3: The third level of screening will only be utilized when a student is not eligible under Level 1 and Level 2 screening. Level 3 determines placement via Accuplacer scores.

Placement Retest Policy
A student who wishes to challenge placement results may retest once per academic year provided there is evidence the student has completed test preparation activities. Additional preparation includes but is not limited to academic boot camps, online pre-tests, and placement test applications. Drake State will charge a one (1) time fee for retesting per subject area of $10. Placement test scores will be valid for three years from the date of the original or retest assessment.

CAREER COACHING SERVICES
The Drake State Career Coaching program provides valuable education and career planning information and resources to students and adults at any stage in life. A career coach is often housed in secondary and post-secondary schools and community colleges.

Drake State provides career coaching to assist students in the following areas:
- College and career planning assistance;
- Assessments: Skills, interest, and confidence analysis;
- Career change or displaced worker planning assistance and resources;
- Research on careers including skills, education, salary, and job expectations.

Career Coaches work to set goals and assist individuals with plans that are a best fit for them, regardless of the college or career choice the individual is considering. Coaching sessions can be done in groups or individually at a local school or a scheduled meeting location. Career coaching services are free of charge.

CAREER PLACEMENT ASSISTANCE
To ensure that students have the assistance they need in securing employment after completing their program of study and in keeping with the college's motto, Our Graduates Work, career planning and placement services are offered to all students at Drake State. The Coordinator of Placement and Apprenticeships works with industry partners to identify the industry needs for workers and assists in placing the right person for the job. This includes conducting job fairs and bringing potential employers to the College and having them conduct mock job interviews.
Prior to graduation, the Coordinator of Placement and Apprenticeships conducts workshops on interviewing, resume writing, positive work ethics, appropriate attire and other soft skills that are attractive to employers. Assistance is provided for students in writing and updating resumes and developing cover letters. Individual/group counseling is available for academic and career counseling. Referrals are made to appropriate agencies when needed. Students are contacted by the Placement Office when the office is notified that a company is seeking to hire individuals with specific skill sets. Local, state and national job announcements are posted in CANVAS in the Career Services Course.

**ACADEMIC ADVISING AND NEW STUDENT ORIENTATION**

Student services also includes a new student registration session, academic advising and the requirement that all students successfully complete a new student orientation course, ORI 101: Orientation to College (Exception: The ORI101 course is automatically waived if a student attended another institution and completed at least 12 semester credit hours.). Academic advising is an important component of student services. Academic advisement is completed using a split-intake model that includes both student services personnel and faculty advisors.

The purpose of the new student orientation program at Drake State is trifold: to present the student with information about the College, ease the registration process, and orient the student (over the first semester) to personnel, policies and procedures which can help him/her progress through the curriculum and associated activities. The college has Academic Completion Specialists, Admissions Office personnel, the Student Success Specialist and Financial Aid personnel to help new students transition into their first semester. The student is assigned a faculty advisor upon entry; however, the program faculty advisor typically takes over the advising process during the second semester of the student’s matriculation.

The new student registration session helps the student plan his or her first semester. During this portion of the orientation, the student is advised concerning program requirements. The instructional divisions provide information to help new student advisors know exactly the assortment of courses needed to help a first semester student be successful.

During ORI 101, students are introduced to various staff persons and specific functions of the College; however, other topics covered include time management, study skills, health and fitness, and other relevant topics. The orientation course is a one credit hour course that spans the semester and is offered in a hybrid format.

**ADVISING AND TUTORIAL SERVICES**

The College employs a full-time Student Success Specialist to help each student identify and progress through a set of educational opportunities relevant to individual aptitudes, knowledge, skills and interests. Individual or group counseling, career counseling, study skills sessions, time management sessions, drug awareness and alcohol prevention information, and other topics necessary for personal, academic and career planning are available to all students. Referrals are made to appropriate agencies when deemed appropriate.
The student success program at the College is conducted through a series of optional counseling sessions available on an “as needed” basis. The sessions are designed to ensure that all students have sufficient contact with an advisor to make their progress through the instructional program successful. The goal of the student success program is to help students identify and progress through a set of educational opportunities relevant to individual aptitudes, knowledge, skills and interests and offer incentives commensurate with each student’s motivation and achievement.

TUTORING SERVICES

The College offers free tutoring (Fall, Spring, Summer) to all students. The tutoring program is funded through Title III grants. The tutoring services provided include assistance in all general education courses and CTE programs. Referrals to tutorial services take place through the Student Success Specialist, Academic Completion Specialists or faculty members.

The objectives of advising and tutoring services are as follows.

- To challenge students to become introspective;
- To encourage students to make rewarding decisions;
- To help students develop positive self-images;
- To inspire in students a desire to maximize their potential, as rapidly as possible, in the process of reaching their educational or lifelong goals;
- To urge students to make decisions that will capitalize on their assets;
- To help students cope with reality;
- To guide students in their vocational choices and adjustments;
- To assist students with academic problems; and
- To counsel students concerning personal problems.

STUDENT SUCCESS

Drake State provides academic counseling to assist students in the following areas.

- Course scheduling
- Disability Services
- Placement testing
- Program planning
- Transfer information

While the instructor serves as the students’ primary advisor, supplemental services are available. It is the policy and practice of Drake State to ensure public accommodations and services, equal employment of goods, facilities, privileges, and advantages to all disabled individuals. The College will work with the Division of Rehabilitation Services and the Alabama Department of Education to provide special equipment necessary to ensure a satisfactory learning and working environment. It is the responsibility of the student to inform the Student Success Specialist of any special needs and/or if a disability exists.
FINANCIAL AID
Student support continues with financial assistance and Drake State’s belief that every qualified student with the desire to attend the institution should have the opportunity to do so. Financial aid is available from a variety of resources, including scholarships and federal Pell grants. Students are counseled on their rights and responsibilities as it relates to financial aid availability and qualification requirements. The primary types of financial aid available to Drake State students include scholarships, grants, work study, and veteran’s benefits.

FINANCIAL AID GUIDELINES

Students are required to pay tuition and fees in full upon registration. Students eligible for Title IV Student Financial Aid, grants and scholarships must pay their remaining amount due after aid has been applied, in order to complete their financial registration. Students may enroll with written authorization from sponsoring agencies. If the third-party sponsors have not paid the College within 30 days from the first day of the term, the student will be required to pay any outstanding balance or be subject to removal from classes. Students who add courses during the drop/add period must pay any additional balance due at the time the courses are added or be subject to removal from classes.

Financial General Information

Students are expected to meet all financial obligations when they become due. The College reserves the right to refuse admission or to terminate any student who fails to promptly meet his/her financial obligations to the College. Tuition and most other fees and expenses are due and payable at the time of registration. All money is handled through the Business Office. Students are expected to meet all financial obligations when due.

Students are required to pay any resulting outstanding balance from a partial withdrawal which will require a recalculation of their financial aid benefit.
Complete Withdrawal

TUITION REFUND

The Business Office will begin processing student refunds for all students who do not receive any type of student financial aid 7 days after students with financial aid refunds are issued. Remaining balance checks for students eligible for student financial aid will be disbursed 14 days after the published disbursement date listed on your student self-service banner account for students who have met the attendance requirements. Students who register late will receive their balance checks subsequently. Please refer to the Catalog for a more complete statement related to refunds.

Veterans Benefit Refund Policy

The U.S. Department of Veterans Affairs requires all changes of enrollment to be certified within 30 days of action. For VA purposes, the effective date is the date the student withdrew or dropped the class. The U.S. Department of Veterans Affairs will process the information regarding change of enrollment and may establish a debt on the student, based on the effective date of the change. It is the responsibility of the student to satisfy any debt established on the student by the VA.

Students withdrawing from all classes in a semester will have the current and any future certifications terminated. If the student completely withdraws on or before the first day of the term, Drake State will return the tuition and fees payment received, directly to the VA, upon receipt of school debt letter. If the date of complete withdrawal is after the first day of the term, any credit balances that result from a refund of institutional charges will be issued to the student within 40 days from the date a credit balance is created on the Veteran student’s account.

Financial Aid Refunds

All student refunds will be available 14 days after the published disbursement date. The disbursement date is the date that financial aid is applied to student accounts to be used to pay fees, tuition and other authorized charges. This date is published on student’s self-service banner account.
STUDENT FINANCIAL SERVICES

Drake State believes that every qualified student with the desire to attend the institution should have the opportunity to do so. Financial aid is available from a variety of sources, such as the Federal Pell Grant Program and the Alabama State Grant Program. Thus, financial aid in the form of scholarships, grants, and work-study is available to students who meet the criteria for such aid.

Application Procedures

In order to determine eligibility for federal financial aid programs, the student should complete the Free Application for Federal Student Aid (FAFSA). The FAFSA form may be completed online at the U. S. Department of Education’s website (www.fafsa.ed.gov). The student should list Drake State’s school code (005260) in the section requesting the name of the college that he/she plans to attend.

Within one to two weeks after the FAFSA has been filed, the student will receive a Student Aid Report (SAR). Drake State will also receive an electronic copy if s/he has listed Drake State. The Financial Aid Office at Drake State is responsible for verifying that students meet all of the Department of Education’s eligibility criteria. The student may also be asked to supply documents (tax transcripts from the IRS, wage and income transcripts, verification forms, etc.) to check the accuracy of the information reported in the SAR. If an error is found, the SAR must be returned to the processor for corrections.

Student Eligibility

Policies that govern student eligibility are established by both the U. S. Department of Education and the post-secondary institution. The federal policies are the same regardless of the institution one attends, but the institutional policies may vary.

Students must meet the following eligibility criteria in order to receive federal financial aid:

A. Have financial need;
B. Have a high school diploma or GED;
C. Be enrolled as a regular student in an eligible program;
D. Be a U. S. Citizen or eligible noncitizen;
E. Have a social security number;
F. Be making satisfactory academic progress;
G. Be registered with Selective Service, if required;
H. Not be in default on any loan or owe a refund on any grant made at any institution under Title IV of the Higher Education Act of 1965, as amended.

The amount of financial aid a student is eligible to receive is based on the Expected Family Contribution (EFC) assigned by the U. S. Department of Education, the cost of attendance at Drake State, the student’s enrollment status, whether the student is enrolled in a certificate or associate degree program and other information provided by the student.

FINANCIAL AID PROGRAMS

Federal Pell Grants

Federal Pell Grants are federal funds, available to undergraduate students who have not earned a Bachelor’s or professional degree. These funds do not have to be repaid, unless the student withdraws or drops out of school. The amount will vary each term based on the student’s enrollment status (full-time, three-quarter time, half time
or less than half time). Any Pell funds not used in the fall and spring terms will be carried over into the summer term. Students must reapply for Federal Pell Grants each academic year.

**Federal Supplemental Educational Opportunity Grant (SEOG)**
This grant is awarded to Pell Grant students with the lowest Expected Family Contribution (EFC) and does not have to be repaid, unless the student withdraws or drops out of college. Federal funds are allotted to the College to award to students with exceptional financial need. The funds are awarded on a first come, first served basis. If the student fails to attend classes and the award drops off his/her account, the grant will be redistributed to other eligible students.

**Federal Work-Study (FWS)**
This is a program that allows students to earn funds for their education. The current pay for federal work study positions is published on the Drake State website (pay rates are subject to change) and is limited to a maximum of 19 hours per week. All eligible students indicating an interest in FWS will be considered for these limited funds by completing a work-study application located in the Financial Aid Office. Most job placements are on campus and work hours are usually after classes each day. Hiring is competitive and all interested students may not be able to be accommodated.

**OTHER TYPES OF ASSISTANCE**

**Institutional Scholarships** are awarded on a competitive basis to applicants. Most scholarships are used to recruit students from local high schools but are also available to returning students. The two types of institutional scholarships awarded by the college are academic and leadership. The **PRIORITY DEADLINE** is **MARCH 15TH OF EACH YEAR**. Scholarships will be awarded annually and placed on student accounts beginning the fall semester.

**Academic scholarship** recipients must have and maintain a 3.0 or better GPA on a 4.0 scale and maintain a full-time enrollment status. These scholarships cover the cost of tuition and mandatory fees and are renewed each enrollment status, whether the student is enrolled in a certificate or associate degree program. Scholarship recipients are required to sign a contract outlining the requirements for maintaining eligibility.

**Leadership scholarship** recipients must have and maintain a 2.5 or better GPA on a 4.0 scale and maintain a full-time enrollment status. These scholarships cover 50% of tuition and mandatory fees and are renewed each enrollment status, whether the student is enrolled in a certificate or associate degree program. Scholarship recipients are required to sign a contract outlining the requirements for maintaining eligibility.

**Vocational Rehabilitation**
Vocational Rehabilitation students with documented disabilities who have been awarded funds for training by the state may see a Financial Aid Counselor to have their award entered into the system for processing.

**Employer Educational Assistance**
Employer Educational Assistance students whose employers provide educational benefits must provide documentation of this benefit from his/her company to a Financial Aid Counselor to be entered into the system for processing.

**VERIFICATION POLICY**

Students may be selected on a random basis by the federal government or the Financial Aid Office to verify the following items: (1) family income, (2) taxes paid, (3) family size, (4) number of family members other than parents attending a postsecondary institution, and (5) any other item identified by the Office of Financial Aid. Failure to submit the requested documentation will cause the student to forfeit entitlement to financial aid. Students needing to correct their Student Aid Reports (SAR) as a result of verification will be notified at the time of verification or shortly thereafter by mail, email or phone.

**AWARDING POLICY**

Students must have completed all required financial aid forms prior to the first day of the semester to avoid having to pay the initial cost of tuition, fees, books, and supplies themselves. Financial aid forms and materials submitted after the beginning of the semester will be processed as quickly as possible. Because FSEOG funds are limited, these funds are awarded on a need basis until funds are exhausted. Federal Work Study is awarded on an ongoing basis to eligible students with interest in, and the skills required for the job assignment.

Please Note: If a student’s schedule includes a mini-term course that begins midterm, the amount of the Pell Grant award may change when the mini-term begins. The Office of Financial Aid may be contacted to determine if there will be an adjustment to the Pell Grant award.

**DEPENDENT/INDEPENDENT POLICY**

The Federal Government has identified, for student financial assistance programs, certain categories of students who must be considered Independent financial aid applicants. A student is considered an independent financial aid applicant if s/he meets one of the following criteria:

A. Must be 24 years of age prior to January 1 of the application year;  
B. Is a veteran of the U.S. Armed Forces;  
C. Is on active duty in the U.S. Armed forces;  
D. Is an orphan or ward of the court;  
E. Is/was emancipated minor;  
F. Is/was in legal guardianship;  
G. Has a legal dependent other than a spouse;  
H. Is a married student;  
I. Is a homeless child/youth;  
J. Is determined homeless by HUD;  
K. At risk for homelessness;  
L. Is working on a masters/doctoral program;  
M. Has a child/children who receive more than half of their support from you.

An independent financial aid applicant is not required to submit parental information in the application process. However, if the independent applicant is married, spousal information must be reported. A student who cannot meet at least one of the criteria is considered a dependent applicant and must provide parental information in the application process.

**SPECIAL CIRCUMSTANCES**

Eligibility is normally based upon the prior year’s income. Under certain circumstances, however, eligibility may be based on the current year’s income. Death of a parent or a spouse, separation or divorce of a parent or a spouse,
loss of income due to natural disaster, or unemployment would allow students to file for special conditions and base eligibility on the current year’s income. A student with one of these conditions should contact the Director of Financial Aid.

**DISBURSEMENT INFORMATION**

Federal Pell Grant: Pell Grant awards are based on the federal methodology from the information listed on your FAFSA application. Awards are subject to change if a student is selected for verification, enrolled in a program that does not lead to an Associate’s Degree, enrolled less than full-time or fails to maintain satisfactory academic progress according to institutional policies. Recipients may charge tuition and fees to their Federal Pell Grant account. Students with small entitlements will be required to pay the difference. Remaining balance checks will be disbursed 14 days after the published disbursement date. Students enrolled in mini-session courses or courses with a late start date may not be eligible to receive a check or may receive miscellaneous balance checks based on actual enrollment hours for the first mini-session with additional funds being released after the second session begins. Students may call or come by the Financial Aid Office to inquire about their eligibility. Students who make a change in their course schedule (See Return of Title IV Funds Policy for additional information) or whose financial aid file is completed during the first two weeks of the semester will be mailed a check approximately two weeks after the first disbursement of checks. After the initial disbursement, checks will be processed every other week.

Federal Supplemental Educational Opportunity Grant (FSEOG): The FSEOG checks will be processed and mailed to students approximately four (4) weeks after the official Drop/Add period ends.

Alabama State Grant (ASAP): The ASAP (Alabama Student Assistance Program) checks will be processed and mailed upon receipt of funds from the Alabama Commission on Higher Education in Montgomery.

Federal College Work Study: Time sheets are due in the Financial Aid Office on the 1st day of each month unless otherwise notified. Timesheets turned in after this date will receive payment the following month. Payroll disbursements are made on the 15th day of each month through direct deposit.

Scholarships: Recipients may charge tuition and mandatory fees to their scholarship account. Scholarships do not pay for repeated courses or books.

**SATISFACTORY ACADEMIC PROGRESS**

Students must declare a major and be working toward the completion of that major in order to receive financial aid. In order to receive aid, a student must be making satisfactory academic progress (SAP) regardless of whether he or she has previously received aid.

Satisfactory Academic Progress (SAP) will be measured at the end of each semester of enrollment after grades have been posted at J.F. Drake State Community and Technical College. Students are required under federal regulations to maintain certain standards of progress depending on the number of hours they have attempted in college. It is the student’s responsibility to read and understand all policies associated with financial aid funding.

SAP includes three basic components: qualitative Grade Point Average (GPA), quantitative Hours Completed (completion rate), and timeframe.

The GPA is computed based on a 4.0 scale, with a 2.0 or higher GPA required for graduation.

**GPA requirements for long-term certificate and degree seeking students**

- If student has attempted 0-21 hours, they must maintain a 1.5 GPA
- If student has attempted 22-32 hours, they must maintain a 1.75 GPA
- If student has attempted 33 or more hours, they must maintain a 2.0 GPA
GPA requirement for short-term certificate (24 – 29 credit hours)
- If student has attempted 0-12 hours, they must maintain a 1.5 GPA
- If student has attempted 13 or more hours, they must maintain a 2.0 GPA

The completion rate is calculated by dividing the cumulative number of credit hours the student has successfully completed by the cumulative number of credit hours the student has attempted.

Completion rate (attempted hours) required by long-term certificates and degree seeking students
- If student has attempted 0-21 hours, they must maintain a 58% completion rate.
- If student has attempted 22-32 hours, they must maintain a 62% completion rate.
- If student has attempted 33 or more hours, they must maintain a 67% completion rate.

Completion rate (attempted hours) required by short-term certificate (24-29 credit hours).
- If student has attempted 0-12 hours, they must maintain a 58% completion rate.
- If student has attempted 13 or more hours, they must maintain a 67% completion rate.

Federal regulations require that students must complete their educational objective within a maximum time frame of one and one-half times the length of the program in which they are enrolled, since the purpose of the Federal Title IV financial aid programs is to assist students in meeting their educational expenses while they progress toward timely completion of their educational objectives.

- A student is only allowed 150% of the respective program length to complete the degree or certificate.
- For example, a degree-seeking student can attend Drake State three years, which is 150% of a two-year major.
- Failure to complete within allotted timeframe will result in loss of eligibility.
- All hours attempted, as well as transfer hours accepted, will be included in the maximum timeframe calculation. (ex: course forgiveness, academic bankruptcy, developmental, and incompletes)
- A change in major or academic program does not reset the 150%.

Additional regulations relating to SAP include the following:
- If a student does not meet any of the requirements listed he/she will be given one warning semester to attempt to get back in good standing in which he/she will be eligible to receive aid.
- After attending one warning semester, the student must have the required GPA and completion rate to continue receiving financial aid assistance.
- If a student loses eligibility, he/she may appeal----given student has mitigating circumstances that caused unsuccessful coursework. If appeal is approved by appeals committee then the student will be granted one additional probation semester to establish satisfactory academic progress. If student is not granted a probationary semester, then the student must be a cash paying student until satisfactory academic progress is achieved. At that point, the student could re-establish eligibility.
- Additional information as to the treatment of repeated, incompletes, withdrawals, transfer credit, academic bankruptcy, course forgiveness, and transitional (remedial) classes is as follows:
  - Repeat classes will be factored into the GPA, completion rate, and maximum timeframe calculations. In addition, a student can only repeat a successfully-passed class utilizing federal aid once.
Student may receive financial aid for up to 30 attempted remedial credit hours. If this number is exceeded, the student will be placed on financial aid suspension. If the student enrolls in the same remedial course more than three (3) times, financial aid will not apply for any subsequent enrollment(s) in this course.

Incompletes will be factored into the GPA, completion rate, and maximum timeframe calculations. Incomplete (I grade) coursework must be completed by the end of the next term. At the end of the next term, all unfinished coursework will be calculated as an F.

Withdrawals will not be factored into the GPA calculations but will be included in the completion rate and maximum timeframe calculations.

Transfer credits will not be factored into the GPA calculation but will be included in the completion rate and maximum timeframe calculations. Only passed classes designated as a “C” or higher will be transferred in from other accredited institutions.

Bankrupted (Academic Bankruptcy) classes will be factored into the GPA, completion rate, and maximum timeframe calculation.

Forgiven (Course Forgiveness) classes will be factored into the GPA, completion rate, and maximum timeframe calculations.

Transitional (remedial) classes will be factored into the GPA, completion rate, and maximum timeframe calculations.

After a grade change (except an Incomplete) has been instituted for a prior term, SAP will be recalculated at that time. When an Incomplete grade is updated to a final grade, it will be factored into the SAP calculation at the time of the next formal evaluation.

Dropped courses during the add/drop period will not be factored into GPA, completion rate, or maximum timeframe calculations.

In some cases, a student who is not meeting SAP may regain eligibility for Title IV aid. Options may include a) paying for classes or b) successfully appealing.

The lifetime eligibility for receiving federal financial aid is 12 full-time semesters which equals 600%. A student’s percentage used can be viewed on NSLDS and compared to the Banner form RNASLXX. (If student has less than full-time enrollment, the percentage will be prorated).

Information regarding financial aid appeals include the following:

A student may submit a Financial Aid Appeal if he/she can provide documented proof of mitigating circumstances. Mitigating circumstances are those that are beyond the student’s control. If student files an appeal due to exceeding the MAX timeframe, he/she must be meeting other two components of the SAP calculation (GPA and pace).

A student must submit the appeal and all documentation pertaining to the appeal, by the published appeal deadline. Submitting a Financial Aid Appeal is NOT an automatic approval.

Appeal Form

The Financial Aid Appeals Committee will meet each semester to consider completed appeals. The decision of the Appeals Committee is final. Only one appeal per academic year will be considered.

A student will be notified of the decision made by the Committee by email. Students may check Self Service Banner for academic progress status.

A student must follow the terms of his/her appeal if approved or lose financial aid eligibility.

An academic plan may be instituted for a student as an opportunity to restore the student to proper Satisfactory Academic Progress at a specified future point in time. The plan can be voided if the student changes majors or does not follow the prescribed academic plan. This plan is used specifically for students that exceeded MAX time frame and granted an appeal.
Satisfactory Academic Progress for students utilizing veteran educational benefits:

Public Law 114-315 Section 404: Academic Progress and Outcome Measures
In accordance with 38 CFR 668.34, Service Members, Veterans, and/or eligible dependents meeting the eligibility criteria and receiving Department of Veteran Affairs Education Benefits are required to maintain satisfactory academic progress. Academic progress is based on the quantitative and qualitative requirements of degree, certificate, and learning programs of the educational institutions of which Service Members, Veterans, and/or eligible dependents are enrolled.

RETURN OF TITLE IV FUNDS WHEN A STUDENT WITHDRAWS

Withdrawal - Federal Policy
A student is not entitled to 100 percent of his/her federal grant(s) until s/he has completed 60% of the semester. In most cases, the student would have received 100 percent of his/her grant before that time. Therefore, if a student receives a federal grant and withdraws before 60 percent of the term has passed, s/he will likely owe a portion of the grant back to the Pell grant program.

Complete Withdrawal
A student who withdraws completely before completing 60% percent of any given term may be required to return a portion of the Title IV financial aid grants he/she received (excluding Federal Work-Study wages).

The amount to be returned is based on the concept of “earned” and “unearned” federal financial aid. The percentage of time enrolled determines the percentage of earned aid. For example: If a student attends through the first 25 days of a 100-day term, the percentage of earned aid is 25 percent. The remaining 75 percent of the aid received is therefore unearned and must be returned to the federal financial aid programs.

In some circumstances, a student may be required to repay a portion of the unearned aid received. Each student who owes a repayment will be notified in writing of the requirement to repay Title IV funds. If a student owes a prior balance for the previous year, s/he may use up to $200 of the new year’s award to pay the past balance.

If s/he fails to repay unearned Title IV funds, his/her eligibility for federal financial aid will be terminated.

The requirements to return federal financial aid are separate from the College’s refund policy. Therefore, a student may still owe funds to the College to cover unpaid institutional charges. The College may also charge you for any federal financial aid program funds that were required to be returned.

If a student completely withdraws after completing 60 percent of the term, no repayment is required as s/he is considered to have earned 100 percent of his/her award for the term.

Any grant money a student has to repay is considered a federal overpayment. The student must either repay that amount in full or make satisfactory arrangements with either Drake State or the Department of Education to repay the amount.

The repayment or arrangements for the repayment must be made within 45 days of the date the student is notified of the overpayment or the student will lose further eligibility for all federal aid for attendance at any college until the debt is paid in full.

The withdrawal may cause him/her to be placed on financial aid probation because he/she has not met the Satisfactory Academic Progress requirements of completing 2/3 of all classes attempted.
Unofficial Withdrawal
A student who stops attending all of his/her classes before 60% of the term is completed without completing a withdrawal form or notifying his instructors of his intent to return to classes will automatically be classified as a failure to pass due to attendance and will be reported to the Department of Education. S/He may then be required to repay a portion of the aid s/he has received based on a midpoint date used as the date of determination. This will also cause him/her to be placed on financial aid probation because s/he has not met the Satisfactory Academic Progress requirements of completing 2/3 of all classes attempted.

VETERAN AND MILITARY AFFAIRS

The Veteran and Military Affairs representative is located in the Financial Aid office. The Office of Veteran and Military Affairs is responsible for providing assistance to Veterans, active duty military personnel, and dependents of Veterans enrolled at Drake State.

Services available include:
- Referral services;
- General and specific information regarding available benefits;
- Assistance in filing claims for such benefits;
- Reporting of enrollment information.

Benefits for veterans include:
- Montgomery GI Bill® (Chapter 30);
- Post 911 GI Bill® (Chapter 33);
- Montgomery GI Bill® – SR (Chapter 1606);
- Reserve Education Assistance Program (REAP/Chapter 1607);
- Dependent Educational Assistance (DEA/Chapter 35);
- Alabama National Guard Education Assistance Program (ANGEAP);
- Alabama GI Dependent Scholarship;
- Veterans Vocational Rehabilitation (Chapter 31).

Any student in the Alabama National Guard or Reserve component is responsible for notifying instructors of orders for military leave. S/he will be terminated from all classes, and upon return, a re-entry form will be processed. If the designated time frame for return is not adhered to, the Department of Veterans Affairs will be notified of the termination, and all educational payments will cease. If a Veteran terminates educational training before the end of a term, the VA will determine liability for repayment of benefits.

A veteran receiving VA benefits is required to pre-register for classes. Failure to meet this requirement may result in termination or delay of monthly benefits. It is the student’s responsibility to notify the College’s VA representative of any change in enrollment.

ANNUAL NOTIFICATION OF FERPA RIGHTS

Drake State provides students an annual notice of their Family Educational Rights and Privacy Act (FERPA) rights. Students will be notified by publication of the regulations in the College Catalog/Student Handbook, Annual Security Report and College’s Website.

Student Records Defined
The Family Educational Rights and Privacy Act of 1974 (FERPA) is a federal law that protects the confidentiality of student education records. The term “educational records” at Drake State is aligned with FERPA and generally includes any record, whether in a printed, handwritten, audio, video, or computer media format, maintained by Drake State containing information directly related to a student. Certain records are, however, excluded by FERPA from this broad definition, such as those made by instructional, supervisory, and administrative personnel and kept in their sole possession.

All computerized records of student admission, educational academic transcripts, financial aid, and financial accounts are maintained on the Banner computer system or electronic storage. All users must have a valid user I.D. and password that provides them access to specific menus which have been assigned based on user requirements. In addition to the use of passwords to secure computerized student records, the entire computer network is secured by a firewall.

Paper copies of academic student records are stored in secured file rooms located in the Admissions Office under the supervision of the Director of Admissions/Registrar. Hard copies of student financial aid records, student accounts, and student disciplinary records are stored in locked offices in securable filing cabinets under the supervision of the Director of Financial Aid, the Director of Fiscal Affairs, and the Dean of Students.

Student Identification Numbers
The College assigns generated student identification numbers (A numbers), instead of Social Security numbers, as a means of protecting students from identity theft. These unique numbers are used to help prevent unauthorized access to student records. Social Security numbers are only accessible to administrative departments that are required to use them for state and federal reporting.

Confidentiality of Student Records
Confidentiality and access to student record information is controlled in accordance with the Family Educational Right and Privacy Act of 1974 (FERPA) and the implementing regulations, 34 C.F.R Part 99 to ensure confidentiality of student record information. Certain information classified as public or directory information may be released to the general public without prior written consent from a student. If the student requests non-disclosure of their records, their statement of non-disclosure is kept in their file and anyone using the system cannot release the information. Information is not released to third parties.
without the written consent of any student who requests non-disclosure of public or directory information.

In addition to FERPA, the College is in compliance with the Standards for Safeguarding Customer Information, 16 C.F.R. Part 314, issued by the Federal Trade Commission (FTC), as required by the Gramm-Leach-Bliley (GLB) Act, P.L. 106-102. These Standards are intended to ensure security and confidentiality of records and information.

**Integrity of Student Records**
Drake State maintains information about students which facilitates the educational development of students and the effective administration of the college to guarantee the protection of student right of privacy and access as provider under FERPA. Only authorized personnel have passwords that allow them to view and edit student records information. Access is limited to only the information necessary for the user’s job and student record retention is governed by state and federal guidelines.

**Backup Measures**
The College uses digital imaging as a method of storing paper documents. Paper documents are imaged and stored digitally on the College's image server. These documents are then accessible to select personnel on campus. A complete backup of the image server is performed nightly. The Banner system is backed up to an additional local server at the College.

NOTICE: Under the Federal Family Educational Privacy Rights Act, 20 U.S.C. 123g, Drake State may disclose certain student information as “directory information.” Directory information includes the names, addresses, telephone numbers, dates of birth, and major fields of study of students, as well as information about the student’s participation in officially recognized activities and sports, the weight and height of members of athletic teams, the dates of attendance by students, degrees and awards and the most recent previous educational agency or institution attended by a respective student. If any student has an objection to any of the aforementioned information being released during any given semester or academic year, the student should notify the Registrar, in person or in writing, during the first three weeks of the respective semester or academic year.

**DIRECTORY INFORMATION**
The following information with respect to each student has been designated by the College as directory information, which may be made available to the public, absent a student’s request that any such information not be released:

1. Student’s name, address, telephone number;
2. Dates of attendance;

Drake State is committed to assuring that its employees and students work and learn in an environment free from discrimination and/or sexual harassment.

**Discrimination** means making a difference in treatment in any service, program, course or facility for Drake State on the basis of race, color, creed, gender, religion, sex, national origin, disability, ancestry, age, sexual orientation, pregnancy, marital status, or parental status.

**Harassment** means the use of verbal or physical conduct which does the following:
1. Has the purpose or effect of creating an intimidating, hostile, or offensive academic or employment environment;
2. Has the purpose or effect of unreasonable interference with an individual’s academic or employment performance;
3. Otherwise adversely affects academic or employment progress. The term “harassment” encompasses “sexual harassment,” which means unwelcome sexual advances, unwelcome physical contact of a sexual nature, unwelcome requests for sexual favors, and other verbal or physical conduct of a sexual nature (including, but not limited to, the deliberate repeated making of unsolicited gestures or comments, or the deliberate or repeated display of sexually graphic materials, which are not necessary for educational purposes), when the following conditions exist:
   a) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s status as a student or employee;
   b) Submission to or rejection of such conduct by an individual is used as a basis for enrollment, rating, or grading of a student or employee;
   c) Such conduct has the purpose or effect of substantially interfering with an individual’s academic or work progress, or creating an intimidating, hostile, or offensive academic or work environment.

**NONDISCRIMINATION POLICY STATEMENT**

The following policy reflects Drake State’s commitment to equal opportunities in education and employment:

STANDARDS OF CONDUCT AND ENFORCEMENT THEREOF

For a student, the disciplinary action may include, but shall not be limited to, suspension or expulsion. For an employee, such administrative or disciplinary action may include, but shall not be limited to reprimand, suspension or termination of employment, or requirement that the employee participate in and/or successfully complete an appropriate rehabilitation program. Any visitor engaging in any act prohibited by this policy shall be called upon to immediately refrain from such behavior and/or leave the premises.

If any employee, student, or visitor engages in any behavior prohibited by this policy (which is also a violation of Federal, State, or local law or ordinance), that employee, student, or visitor shall be subject to referral to law enforcement officials for arrest and prosecution.

DUE PROCESS OF STUDENT DISCIPLINARY CASES

Drake State Community and Technical College is committed to ensuring an environment for all employees and students, which is fair, humane, and respectful. The College assures each student that no action will be taken on grounds that are not supported by academic policies and procedures.

Emphasis will be placed upon achieving an equitable resolution to problems rather than seeking to emphasize guilt or punishment. Students are guaranteed procedural due process in situations involving severe disciplinary problems. The following procedures will be followed:
Procedure for Bringing Charges
1. Any student, faculty member or administrator may file a charge in writing against a student for misconduct. The charge is to be filed with the Dean of Students.
2. The complainant must file with the Dean of Students within thirty (30) calendar days following the date of the alleged violation(s). Upon receipt of the charge, the Dean will provide the student with a written statement of the charges and determine the course of action regarding the accusations. During this stage, the accused may admit to the charge and waive the right to the Hearing Board, and disciplinary action will be determined by the Dean of Students.
3. If disciplinary proceedings appear warranted, the Dean of Students will set a date, time and place for the hearing, and the accused will be informed by written notice at least two (2) days before the hearing. Anytime up until the day of the hearing, the accused may waive the right to a hearing, admit the charge and have the punishment be decided by the Dean of Students. Under such circumstances, the accused will be informed of the disciplinary action within five (5) days.
4. Any student whose presence poses a possible danger to persons or property of the College or an ongoing threat of disrupting the academic process may be removed from the campus immediately.
5. Written notification of the date, time, and place of the hearing shall be sent to the student within five days of a complaint being filed.
6. A Disciplinary Committee comprised of the Dean of Students, faculty, staff and a student representative will be selected to hear each disciplinary case.
7. The Dean of Students will notify the student(s) in writing of the results and findings of the Student Disciplinary Committee and the course of appeal to the President.

Disciplinary Sanctions
Upon the determination that a student(s) has violated any of the rules, regulations, or guidelines set forth in this Code, the following disciplinary sanctions may be imposed, either singly or in combination by the appropriate College officials:

- **Censure** – A statement to the offender that he/she has violated College regulations and of the possibility of more stringent disciplinary actions in the event of future violations.
- **Restitution** – Reimbursement for damage or misappropriation.
- **Disciplinary Probation** – Students placed on probation will be notified of such in writing and will also be notified of the terms and length of the probation. Probation may include restrictions upon the extracurricular activities of the student. Any conduct in violation of this Code while on probationary status may result in the imposition of further action.
- **Suspension** – Students who are suspended are deprived of student status and are separated from the College for a stated period of time. The suspension shall appear on the student’s disciplinary record.
- **Expulsion** – Termination of student status for a definite or indefinite period. The conditions of readmission, if any, shall be stated in writing to the student.

STUDENT COMPLAINT/GRIEVANCE AND APPEAL POLICY
Drake State recognizes that in order to efficiently and effectively carry out its mission, its students must feel confident that any valid complaint or grievance a student may make concerning the college will be
promptly addressed by the appropriate authorities. Therefore, the following procedures for resolving such complaints and grievances have been adopted by Drake State Community and Technical College.

The Drake State Student Handbook defines the initial steps to solve a complaint, as well as defines sexual harassment, discrimination, and grievance as follows:

- **Complaints** - Academic or non-academic areas of dissatisfaction with instructional or support services. Examples of academic complaints include a disputed course grade, faculty performance, or course information. Examples of non-academic complaints include a disputed late registration fee, delivery of support services, or student conduct.
- **Sexual Harassment** - Inappropriate introduction of sexual activities or comments into the workplace or learning environment. While sexual harassment may involve relationships among equals, it often involves relationships of unequal power, giving rise to elements of coercion centered on sexual activity for opportunities of benefit such as improved job or academic status.
- **Discrimination** - Difference in treatment in any service, program, course or facility on the basis of race, color, creed, gender, religion, sex, national origin, disability, ancestry, age, sexual orientation, pregnancy, marital status, or parental status.
- **Grievance** - An unresolved complaint shall be termed a "grievance." A student who submits a complaint to the appropriate College officials and who is not satisfied with the plan of resolution.

**Initial Steps to Resolve a Complaint**

**Informal Student Complaint Process**

Drake State has a variety of procedures for dealing with student-related issues, including grade appeals, academic dishonesty violations, student discipline, harassment complaints, and Student Grievance procedures. One area not generally covered by other procedures concerns informal student complaints about faculty, staff or student conduct. The College respects the academic freedom of the faculty and will not interfere with the exercise of appropriate discretion concerning the content or style of teaching activities. Indeed, academic freedom is and should be of paramount importance. At the same time, the College recognizes its responsibility to provide students with a procedure for addressing complaints about faculty/staff treatment of students that are not covered by other procedures.

Wherever possible, complaints at Drake State are handled in an informal manner. Administrators, faculty, and staff maintain an “open-door” policy to discuss issues of concern for all students. Faculty and staff serve as a resource for individuals seeking assistance in resolving matters within the College community. Students are encouraged to first attempt to resolve complaints with the faculty or staff person. If unresolved, students should next speak to the departmental chairperson or supervisor of the faculty or staff member in an effort to resolve the matter. If still unresolved, the student should lodge their complaint with the Dean of Instruction (academic complaints) or Dean of Students (non-academic complaints). The chart below details the initial area for assistance referral and subsequent contact areas. If students have any questions about the applicable area for assistance, they should consult with the Title IX Coordinator, who will advise the student if some other procedure is applicable to the type of complaint they are seeking to resolve.

**Formal Student Complaint Process**

If an informal conference regarding a complaint fails to reach the outcome requested by the student, the student may initiate the formal process described below by timely filing a written complaint the respective Dean. Any student enrolled at Drake State who wishes to make a formal complaint about an academic matter must report that matter in writing to the Dean of Instruction, who is responsible for managing academic complaints. Any other types of complaints are considered non-academic and are reported to the Dean of Students, who is responsible for managing non-academic complaints. If the complaint involves a specific occurrence, the complaint shall be made within ten (10) working days of the occurrence.
The written complaint is completed on a **Student Complaint Form** which includes the date the complaint was reported, the student’s name, student identification number, contact information and current enrollment status. The specific elements of the complaint review that are included in the records are as follows:

1. The date of the incident;
2. Whether or not the complaint is an academic or non-academic matter;
3. If the complaint involves a specific person and/or department;
4. A description of the complaint, including specific details and additional documentation;
5. Whether the complainant has had an opportunity to speak to a Drake State faculty or staff member regarding the complaint;
6. The person to whom the complainant spoke regarding the complaint;
7. The outcome of the conversation the complainant had with a Drake State faculty or staff member regarding the complaint;
8. Signature and Date Complaint Form completed by complainant;
9. A processing section for either the Dean of Instruction and/or Dean of Students to complete.

If, after discussion between the student and the respective dean, it is determined that the complaint can be resolved immediately; the college official will take action to resolve the complaint and will submit a report within ten working days of the filing of the complaint to the President and other appropriate college officials, detailing both the complaint and its resolution.

**Grievance Procedures**

If any student’s complaint is not or cannot be resolved at the first level of supervision as described in the paragraphs above, such an unresolved complaint shall be termed a “grievance.” A student who submits a complaint to the appropriate College officials under the paragraphs above and who is not satisfied with the plan of resolution shall have the right file a grievance with the College official and shall include the following information:

1. Date the original complaint was reported;
2. Name of the person to whom the original complaint was reported;
3. Detailed facts of the complaint;
4. Proposed action to be taken by the receiving official to resolving the complaint;
5. Specific action to be taken by the receiving official to resolve the complaint;
6. Specific objection(s) to be the proposed plan of resolve;
7. Other information relevant to the grievance that the complainant wants considered.

If the complainant fails to file notice of appeal by 4:30 pm on the 15th calendar day following having received the plan of resolution, the right to further appeal is forfeited.

**Investigation Procedures**

The Grievance Officer, either personally or with the assistance of such other persons as the President may designate, shall conduct a factual investigation of the grievance and shall research the applicable statute, regulations or policy, if any. The factual findings from the investigation by the Grievance Officer
shall be stated in a written report. The report will be submitted to the complainant and to the party against whom the complaint was made, the “Respondent,” and shall be made a part of the hearing record, if a hearing is requested by the complainant.

**Student Grievance Procedures Involving Discrimination, Sexual Harassment, and Rights of the Disabled**

**Introduction**
Drake State promotes the exchange of ideas among all members of the college community including students, faculty, staff, and administration. An environment conducive to open exchange of ideas is essential to intellectual growth and positive change. However, the College recognizes that, at times, people may have differences which they are unable or unwilling to resolve themselves, and that employees and students must feel confident that the appropriate authorities will promptly address a valid complaint or grievance concerning the College.

Provided, however, that if a complaint is in the form of an alleged violation of Title IX of the Education Amendments of 1972, the student shall file the complaint with the Title IX Coordinator (Students) using the grievance procedure adopted by the State Board of Education for Title IX grievances. That procedure can be found at Alabama Community College System Policy No. 620.0. In the event that there is a hearing on a Title IX grievance, the hearing procedure shall be the same as stated herein below.

Title IX provides that “No person in the United States shall on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance.” If the student is uncertain as to whether his or her complaint would be covered by Title IX, the student shall meet with the Dean of Students to make that determination.

**Anti-Harassment Policy**
Drake State has a commitment to providing both employment and educational environments free of harassment or discrimination related to an individual’s race, color, gender, religion, national origin, age, or disability. Not only is such harassment or discrimination a violation of the policies of the Alabama Community College System, it is an institutional policy that any practice or behavior that constitutes such harassment or discrimination shall not be tolerated on Drake State’s campus, or in any division or department, by any employee, student, agent, or non-employee on any College property or while engaged in any College sponsored activity. It shall also be a violation of this policy for a person to engage in such harassment or discriminatory practice or behavior through the use of any College-owned or College controlled communication process, system or device.

For these purposes, the term “harassment” includes, but is not necessarily limited to:

- Language, behavior, or other activity that has the intent or effect of unduly demeaning, embarrassing, or discomfoting any person, or creating an environment that is unduly demeaning, embarrassing, or discomfoting to any person or persons of reasonable sensitivity.
• Harassment of employees or students by persons who are not employees or students shall also be a violation of this policy. Any employee or student who becomes aware of any such harassment shall report the incident(s) to the appropriate institutional official.

Such discrimination may or may not be in the form of harassment, per se. However, as with incidents of harassment, any employee or student who becomes aware of the unduly adverse treatment of any person on the basis of that person’s race, color, gender, religion, national origin, age, disability, or any other impermissible factor, shall report such situation to an appropriate College official.

Sexual harassment is a form of misconduct that is considered under the law to be both harassment and discrimination which is illegal under Title VII of the Civil Rights Act of 1964 for employees and under Title IX of the Education Amendments of 1972 for students. Sexual harassment does not refer to such innocent conduct as occasional compliments on another’s appearance; it refers to behavior with sexual connotations that would have the effect of interfering with, or the tendency to interfere with, the work, educational, or social environment of its victims. Sexual harassment may involve the behavior of a person of either sex toward a person of the opposite or the same sex, and occurs when it consists of unwelcome sexual advances, unwelcome requests for sexual favors, or other unwelcome verbal or physical conduct of a sexual nature, when

1. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or educational opportunities;
2. Submission to or rejection of such conduct is used as the basis for employment or academic decisions affecting that individual;
3. Such conduct has the purpose or effect of unreasonably interfering with an individual’s work or academic performance, or creates an intimidating, hostile, or offensive work or educational environment.

Sexual harassment may include, but is not be limited to, any of the following:

1. Physical assault, or attempted physical assault, of a sexual nature.
2. Direct propositions of a sexual nature;
3. Subtle pressure for sexual activity;
4. Threats or coercion used for the purpose of soliciting sexual favors;
5. Displaying pictures or other objects which are sexual in nature that would have the tendency to create a hostile or offensive environment and serve no legitimate business purpose;
6. Repeated conduct that has the effect of causing, or intent to cause, discomfort or humiliation, or both, that includes comments of a sexual nature or sexually explicit statements, questions, jokes, or anecdotes;
7. Repeated conduct that has the effect of causing, or the intent to cause, discomfort or humiliation in the form of (i) touching, patting, pinching, hugging, or brushing against another’s body; (ii) comments of a sexual nature about another’s clothing or appearance; or (iii) remarks about sexual activity or prior sexual experiences.

Any student who is the victim, or intended victim, of sexual harassment should report the matter to the Title IX Coordinator (Students) as soon as possible after the situation occurs. If the matter is determined by the Title IX Coordinator to involve sexual harassment, it shall also be reported to the President of the College and to the Vice Chancellor for Legal and Human Resources, who shall also be kept informed of
the progress and results of the investigation of the complaint. Any subsequent adverse treatment incurred by the reporting party that appears to be retaliation of, or related to, the report of sexual harassment should also be brought to the attention of the office of the Dean of Students.

With further regard to relationships of a physical nature, Drake State employees determine the ethical and moral tone for this College through both their personal conduct and their job performance. Therefore, each employee must be dedicated to the ideals of honor and integrity in all public and personal relationships. Relationships between College personnel of different ranks which involve partiality, preferential treatment, or other improper use of position shall not be tolerated. Consensual amorous relationships that might be appropriate in other circumstances are inappropriate when they occur between an instructor and a student for whom he or she has responsibility, or between any supervisor and an employee where preferential treatment result. Furthermore, such relationships have the potential of undermining the atmosphere of trust on which the educational process depends. Implicit in the concept of professionalism is the recognition by those in positions of authority that in their relationships with students or subordinate employees there is always an element of power. Therefore, it is incumbent on those with authority not to abuse the power with which they are entrusted.

Steps Defined
In order to accommodate the resolution of such situations, Drake State offers the following grievance procedures as the appropriate course of action for settling disputes and resolving problems.

A. Initial Steps
Any student of Drake State who has a grievance against another student or a member of the Drake State faculty, staff, or administration concerning any form of discrimination (Title VI, Civil Rights Act of 1964), sexual harassment (Title IX of the Educational Amendments of 1972), or violation of the rights of the disabled (Sec. 504 of the Rehabilitation Act of 1973) should first attempt to resolve his/her situation with the individual involved. However, a student who believes herself or himself to have been subjected to sexual harassment is not required to first speak to or attempt to resolve the situation with the perpetrator of sexual harassment before filing a complaint. If for some reason resolution of the grievance is not possible, the student should make his/her grievance known to the immediate superior of the individual against whom the student has a grievance, and/or to the Title IX Coordinator (Students) in order to seek an informal resolution to the problem. If, after the discussion between the student and the respective College official or representative it is determined that the complaint is valid, the College official or representative will take appropriate action to resolve the complaint using a formal “plan of resolution.”

If the student’s complaint requires a formal “plan of resolution,” a written report must be submitted to the Dean of Students. The report shall be submitted by the College official or representative within ten business days of the initial complaint and shall detail the complaint and the plan to resolve the complaint. If a student’s complaint cannot be resolved in the manner described above, an unresolved complaint shall be termed a “grievance.”

B. Interim Resolution
If the Dean of Students should determine that the grievance is of a nature that there should be imposed an interim resolution pending the outcome of the grievance procedure, the Dean of Students shall
recommend such an interim resolution to the President or designee. The President or designee shall have the discretion to impose or not impose an interim resolution.

C. Formal Grievance Process
A student who submits a complaint to the appropriate College official or representative in the manner described above and who is not informed of a satisfactory resolution or plan of resolution within ten business days after the complaint’s initial submission shall have the right to file, within ten business days, a formal grievance statement. The written grievance statement shall be filed using Grievance Form A, which will be provided by the Grievance Officer and shall include the following information:

1. Date the original complaint was reported;
2. Name of the person to whom the original complaint was reported;
3. Facts of the complaint; and,
4. Action taken, if any, by the receiving official to resolve the complaint.

The grievance statement shall also contain any other information relevant to the grievance the Grievant wants to be considered by the Dean of Students. Any grievance must be filed within 45 calendar days of the occurrence of the alleged discriminatory act or the date of which the Grievant became aware that the discriminatory act took place.

The Dean of Students will notify the student or a member of the Drake State faculty, staff or administration of the charge(s) against him/her within five business days of receiving the formal grievance statement. If after a reasonable attempt to notify the student, faculty member, staff member, or administrator of the charges against him/her, the Dean of Students is unable to do so, then the Dean of Students may suspend the student, or the President of the College or his/her designee may suspend with pay the faculty member, staff member, or administrator until a hearing is held and decision rendered.

The College shall have thirty (30) calendar days from the date of receipt by the Dean of Students of the grievance to conduct an investigation of the allegation(s), hold a hearing on the grievance, and submit a written report to the Grievant of the findings arising from the hearing. Grievance Form A shall be used to report both the grievance and the hearing findings.

D. Investigation Procedure
The Dean of Students shall have the right to conduct such preliminary hearing(s) as the Dean of Students or designee shall deem necessary to complete his/her investigation. The Dean of Students shall conduct a factual investigation of the grievance allegations and shall research each applicable statute, regulation, and/or policy, if any. The Dean of Students shall determine, after completion of the investigation, whether or not there is substantial evidence to support the grievance. The factual findings in the investigation and the conclusion of the Dean of Students (Grievance Officer) shall be stated in a preliminary written report which shall be submitted to the Grievant and to the party or parties against whom the complaint was made and shall be made a part of the hearing record, if a hearing is subsequently conducted. Each of the parties shall have the opportunity to file written objections to any of the factual findings and, if there is a hearing, to make their objections part of the hearing record. If the Grievance Officer finds the grievance is supported by substantial evidence, he or she shall make a recommendation in the report as to how the grievance should be resolved. Upon the receipt of the
Grievance Officer’s preliminary report, the Grievant and the Respondent shall have three (3) business days to notify the Grievance Officer of the respective party’s request for a hearing. The Dean of Students may, nevertheless, at his/her discretion, schedule a hearing on the grievance if to do so would be in the best interest of the College. In the event that no hearing is to be conducted, the Grievance Officer’s report shall be deemed a final report and shall be filed with the President, with a copy to be provided to the Grievant.

**E. Hearing Procedure**

In the event that the Dean of Students schedules a hearing, the Title IX Coordinator or designee will appoint a qualified five-person committee. The Dean of Students shall serve as the nonvoting chairperson. A quorum shall consist of four members of the committee and the chairperson. Unless the President determines otherwise, or both parties agree in writing for the hearing to be public, the hearing shall not be open to the public.

At the hearing, the Grievant and the Respondent(s) shall be read the grievance statement. After the grievance is read into the record, the Grievant shall have the opportunity to present such oral testimony and offer such other supporting evidence as he/she shall deem appropriate to his/her claim. Each Respondent shall then be given the opportunity to present such testimony and offer such other evidence as he/she deems appropriate to the Respondent’s defense against the grievance. In the event that the College, or the administration of the College at large, is the party against whom the grievance is filed, the President shall designate a representative to appear at the hearing on behalf of the College.

Any party to a grievance hearing shall have the right to retain, at the respective party’s own cost, the assistance of legal counsel or other personal representative. However, the respective attorney or personal representative, if any, shall act in an advisory role only and shall not be allowed to address the hearing body or question any witness. In the event that the College or its administration at large is the Respondent, the College representative shall not be an attorney or use an attorney unless the Grievant is also permitted to be assisted by an attorney or other personal representative.

A student does not forfeit any of his/her constitutional rights upon his/her admission into Drake State, nor does a faculty member, staff member, or administrator forfeit his/her constitutional rights upon employment with Drake State. The Committee shall not have the authority to compel any witness to testify. However, insofar as it is not contrary to law, the Committee may take into account the refusal of a witness to testify when deliberating the evidence. With regard to a College employee, the President shall have the authority to direct the employee to testify at a hearing if, in the discretion of the President, such testimony could be material to an accurate determination of the facts in the case.

The hearing shall be recorded by either a court reporter or on audio or video tape or by other electronic recording medium. In addition, all items offered into evidence by the parties, whether admitted into evidence or not, shall be marked and preserved as part of the hearing record.

**F. Report of Findings and Conclusions**

Within five (5) working days following the hearing, there shall be a written report from the chairperson on the findings of the hearing committee (with a copy forwarded to the President, the Grievant, and each Respondent). The report shall contain at least the following:
1. Date and place of the hearing;
2. The name of each member of the hearing committee;
3. A list of all witnesses for all parties to the grievance;
4. Findings of facts relevant to the grievance;
5. Conclusions of law, regulations, or policy relevant to the grievance;
6. Recommendations(s) arising from the grievance and the hearing thereon.

**G. Resolution of Grievance**

In the event of a finding by the Committee that the grievance was supported, in whole or in part, by the evidence presented, the Dean of Students shall meet with the Grievant, the Respondent(s) and the appropriate College representative(s) and attempt to bring about a reasonable agreed-upon resolution of the grievance. If there is no mutual resolution, the President shall impose a resolution of the grievance which shall be final and binding.

**H. Appeal Procedure**

The President of Drake State shall be the appeal authority in upholding, rejecting, or modifying the recommendations of the Grievance Committee. The President shall not be bound in any manner by the recommendation(s) of the hearing committee, but shall take it (them) into consideration in imposing his/her decision. The charged student, faculty member, staff member, or administrator may file a written request with the Title IX Coordinator and Dean of Students requesting that the President of the College review the decision of the Grievance Committee. The written request must be filed within 15 calendar days following the party’s receipt of the hearing report. If the appeal is not filed by the close of business on the fifteenth day following the party’s receipt of the report, the party’s opportunity to appeal shall have been waived. If the appeal does not contain clear and specific objections to the hearing report, it shall be denied by the President. The President of the College shall issue his/her opinion to accept, reject, or modify the decision of the Grievance Committee within 15 calendar days of the initiation of the appeal process. If the decision of the Grievance Committee does not satisfy the complainant and should the grievance allege discrimination (Title VI), sexual harassment (Title IX), or violation of the rights of the handicapped (Sec. 504), the complainant may file a written grievance with:

1. The Alabama Community College System pursuant to Alabama Community College System policies and procedures, with respect to Title IX violations;
   a. If, after exhausting all available institutional processes, a student’s complaint remains unresolved, the student may appeal to the Alabama Community College System using the System’s official [Student Complaint Form](www.accs.edu) or at the ACCS website ([www.accs.edu](www.accs.edu)). Students may submit completed complaint forms by printing the form, signing it, and then either scanning it and emailing it to [complaints@accs.edu](mailto:complaints@accs.edu) or mailing it to:
